

System and New Feature Update Policy

MyAverix Calculators

Last Updated: November 18, 2025

Required Policy: By using MyAverix Calculators, you consent to receiving system updates and new feature notifications as described in this policy. This consent is required for app usage.

1. Introduction

MyAverix Calculators ("we," "our," or "us") is committed to providing you with the best possible experience through regular system updates and new features. This policy explains what types of communications you will receive regarding system updates and new features.

Accepting this policy is required to use the MyAverix Calculators app, as it enables us to keep you informed about important updates and improvements.

2. What You Will Receive

2.1 System Updates

You will receive notifications about:

- **App Updates:** New versions of the app with bug fixes, security patches, and performance improvements
- **Security Updates:** Important security patches and vulnerability fixes
- **Maintenance Notifications:** Planned maintenance windows and service updates
- **Compatibility Updates:** Updates required for app functionality on new device operating systems

2.2 New Feature Announcements

We will inform you about:

- **New Calculator Tools:** Announcements when we add new types of calculators
- **Feature Enhancements:** Improvements to existing features and tools
- **User Experience Improvements:** Updates that make the app easier or more enjoyable to use
- **Educational Content:** Tips, tutorials, and guides to help you get the most out of the app

2.3 Usage Tips and Engagement

To help you make better use of the app, we may send:

- Tips for using calculator features more effectively
- Educational content about financial planning and calculations
- Reminders about useful features you might not have explored

- Best practices for getting accurate results

3. Why This Policy Is Required

This policy is required for app usage because:

- **Critical Updates:** Security and bug fix updates are essential for app safety and functionality
- **App Continuity:** Some updates may be mandatory for the app to continue working properly
- **User Safety:** Security patches protect your data and device
- **Enhanced Experience:** New features improve your ability to use the app effectively
- **Compliance:** Some updates ensure compliance with app store requirements and regulations

4. Communication Methods

We will communicate updates through:

- **In-App Notifications:** Push notifications within the app (if enabled)
- **App Store Updates:** Notifications through your device's app store when updates are available
- **In-App Messages:** Notices displayed when you open the app
- **Update Prompts:** Reminders to update to the latest version for security and features

Note: We will NOT send promotional emails or marketing messages unless you separately opt-in to receive them.

5. Data Collection for Updates

5.1 Technical Information

To provide you with relevant updates, we may collect:

- Your app version number
- Your device operating system version
- General usage statistics (anonymized and aggregated)
- Error logs and crash reports (if you encounter issues)

5.2 No Personal Information

For system updates and feature announcements, we do NOT collect or use:

- Your personal identification information (name, email address)
- Your calculator inputs or results
- Your financial data
- Location data

5.3 Anonymous Analytics

We use anonymous, aggregated data to:

- Understand which features are most popular
- Identify areas for improvement

- Prioritize which updates to develop
- Ensure updates work correctly across different devices

6. Update Frequency

- **Security Updates:** As needed, typically within 48 hours of identifying critical issues
- **Bug Fixes:** Regular updates, typically monthly or as issues are discovered
- **Feature Updates:** Periodic releases, typically quarterly or as new features are completed
- **Major Updates:** Significant changes announced in advance

7. Forced Updates

7.1 When Updates Are Mandatory

In certain circumstances, updates may be required:

- **Critical Security Issues:** Updates addressing serious security vulnerabilities
- **App Store Requirements:** Updates needed to comply with app store policies
- **Legal Compliance:** Updates required by law or regulation
- **Service Compatibility:** Updates needed for the app to function with our backend services

7.2 How Forced Updates Work

If a forced update is required:

- You will receive a clear notification explaining why the update is necessary
- The app will guide you to update through your device's app store
- You may continue using the current version for a limited grace period
- After the grace period, you will need to update to continue using the app

8. Opting Out of Non-Essential Communications

While system and security updates are required, you can:

- **Disable Push Notifications:** Turn off push notifications in your device settings (you'll still receive in-app notifications)
- **Limit Feature Announcements:** Choose to receive only critical updates, not feature announcements
- **Update Frequency:** Check for updates manually instead of receiving automatic notifications

Important: You cannot opt-out of critical security and mandatory app updates, as these are essential for app functionality and security.

9. Compliance with Google Policies

Our update policy complies with Google Play Store requirements:

- **Transparency:** This policy clearly explains what communications you'll receive
- **User Benefit:** Updates focus on improving your experience, not marketing
- **Security Focus:** Critical security updates are prioritized and communicated clearly
- **Respectful Communication:** Updates are communicated respectfully and without spam

- **User Control:** Where possible, you have options to customize notification preferences

10. Data Privacy

All data collected for system updates:

- Is used solely for providing updates and improving the app
- Is anonymized and aggregated where possible
- Is not sold to third parties
- Is protected according to our Privacy Policy
- Can be reviewed in our Privacy & Terms & Conditions Policy

11. Changes to This Policy

We may update this System and New Feature Update Policy from time to time. When we make changes:

- We will update the "Last Updated" date at the top of this policy
- Significant changes will be communicated through the app
- Your continued use of the app after changes constitutes acceptance of the updated policy

12. Your Responsibilities

As a user, you should:

- Keep the app updated to the latest version for security and features
- Read update notifications to understand what's new or changed
- Report any issues with updates through the app's support features
- Ensure your device meets the minimum requirements for new versions

13. Contact Us

If you have questions about this System and New Feature Update Policy, please contact us:

Email: myaverixsupport@ecodinghub.com

Website: <https://myaverix.com>

In-App Support: Available through the app settings

14. Agreement

By using MyAverix Calculators, you acknowledge that you have read, understood, and agree to this System and New Feature Update Policy. This policy is required for app usage. If you do not agree with this policy, you should not use the app.
